

HP Printer Selection Guide

Spring 2024 - Fall 2024

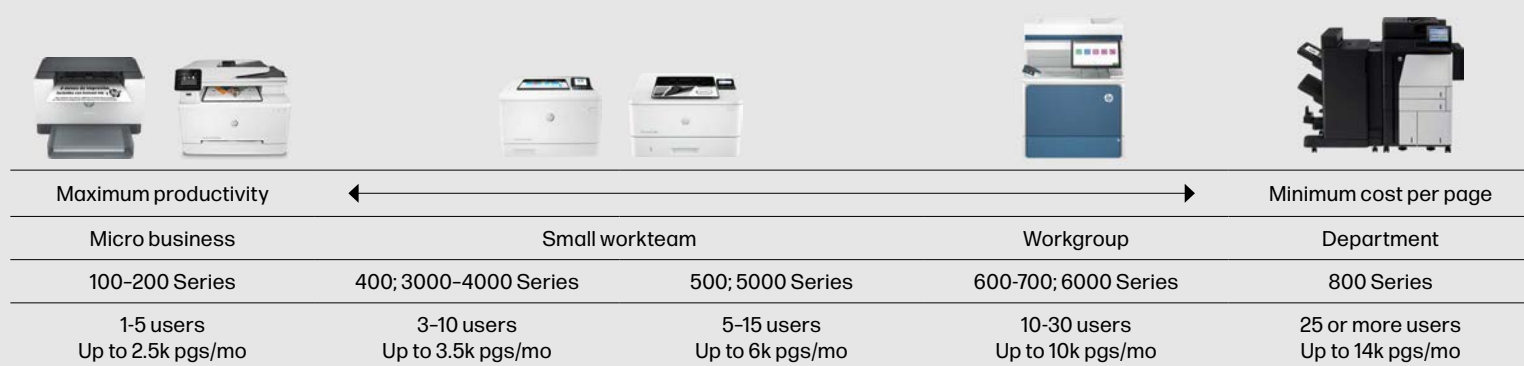

This guide does not contain all printer or MFP specifications. Please see the data sheets for details.

HP Black and White LaserJet printers	
Single-function	5
Multifunction	10
HP Color LaserJet printers	
Single-function	14
Multifunction	17
HP OfficeJet printers	
Pro single-function	21
Pro All-in-One	22
Mobile and Wide Format	23
HP Smart Tank	24
HP DeskJet & ENVY All-in-One printers	25
HP ScanJet scanners	
Pro	26
Enterprise	28
Resources	30

Selecting the right device

Pro-class

SMB target

- Affordable entry price for printers and toner
- 3 to 4.3-inch MFP panels
- Less robust scan/ADF
- Smart mobile printing features & cloud-based solutions

Enterprise-class

IT-managed SMB and Enterprise target

- Most secure¹
- Investment protection and fleet-wide common UI with upgradeable FutureSmart firmware
- 8" or 10" MFP panels; robust scan/ADF
- OXP for robust solutions, full enterprise security/Web Jetadmin management

What to consider

Users	Types of documents	Function	Management
<ul style="list-style-type: none"> ● 1-15 users ● 10-30 users ● 30+ users 	<ul style="list-style-type: none"> ● Mono ● Color 	<ul style="list-style-type: none"> ● Single-function printer (SFP) ● Multifunction printer (MFP) ● Flow MFP 	<ul style="list-style-type: none"> ● Pro ● Enterprise

HP product descriptors and naming

Descriptor for color	Product brand	Sub-branding	Bundles
<ul style="list-style-type: none"> ● No descriptor = mono ● Color 	<ul style="list-style-type: none"> ● LaserJet Laser technology ● OfficeJet Ink technology 	<ul style="list-style-type: none"> ● Pro: Designed for micro-small business with growing or established networks and minimal management requirements ● Enterprise: Designed for med-large business with advanced networking, security, and document management requirements 	a = Base c = Capture d = Duplex f = Fax h = Hard drive n = Network t = Tray w = Wireless x = SFP with network, duplex, paper tray xh = SFP with x features plus HDD x+ = SFP with xh features plus HCI vs. paper tray z = MFP with more than 2 features (most, but not all, Flow bundles have this designator) z+ = MFP with more than 2 features for additional bundles with same model number
Functionality	Pro product families	Enterprise product families	
<ul style="list-style-type: none"> ● No Descriptor = single-function ● MFP ● "Flow" descriptor represents all Flow features 	<ul style="list-style-type: none"> ● 100 SOHO/Personal ● 200 micro business ● 3,000 small workteam (lite) ● 400/500/4,000 small workteam 	<ul style="list-style-type: none"> ● 500/5,000 small workgroup ● 600/6,000 workgroup ● 700/800 department 	

HP business portfolio

HP LaserJet family

- Small teams to departments
- From micro SMB to enterprise
- Established color and mono reliability and quality
- Great high-gloss, print shop quality
- Great value for black only printing
- Advanced security and management features
- 1-25+ users

HP OfficeJet Pro family

- Personal use and small teams in home
- Micro to small business
- HP's lowest-priced business printers
- Professional everyday quality
- Great photos on all types of photo papers
- Essential security & management features
- 1-5 users

¹ Based on HP review of 2017 published security features of competitive in-class printers. Only HP offers a combination of security features that can monitor to detect and automatically stop an attack, then self-validate software integrity in a reboot. For a list of printers, visit <https://www.hp.com/go/PrintersThatProtect>. For more information: <https://www.hp.com/go/printersecurityclaims>.

HP Black and White LaserJet Single-function printers

HP LaserJet M209 Printer series

This HP LaserJet is a high-productivity printer with the fastest two-sided printing in its class¹. It's designed for home-office users who need reliable performance for high-volume black-and-white printing in a compact and easy-to-use device.

JetIntelligence technology

HP LaserJet Pro 3001 Printer series

This HP+ laser printer is built with powerful productivity features for small teams – fast speeds, advanced security, and smart office features so you can setup and manage it from anywhere.

JetIntelligence technology

HP LaserJet Pro 4001 Printer series

This laser printer is built for maximum productivity for small teams—blazing fast speeds, advanced security, and smart office features so you can setup and manage it from anywhere.

JetIntelligence technology

HP LaserJet Pro M501dn

Put impressive print speeds and performance to work in your office powered by JetIntelligence Toner cartridges.

1. Compared to in-class monochrome laser printers and MFPs less than \$210 USD or €220 for single function or less than \$310 USD or €320 for multifunction, all with a published maximum monthly duty cycle of 20,000 or lower. Buyers Lab September 2020 study commissioned by HP, based on a research survey OEM published specifications publicly available information as of 09/01/2020. Market share as reported by IDC Quarterly Hardcopy Peripherals Tracker - Final Historical 2020Q2 for North America and EMEA. For details: www.keypointintelligence.com/HPFastestDuplex.

HP Black and White LaserJet Single-function printers

HP LaserJet Enterprise M406dn

HP's entry-level enterprise-class printer with speeds up to 42 ppm¹ and strongest security².

JetIntelligence technology

HP LaserJet Enterprise M507 Printer series

Handle business solutions securely, plus help conserve energy with HP EcoSmart toner.

1. Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see <https://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
2. HP's most advanced embedded security features are available on HP Managed and Enterprise devices with HP FutureSmart firmware 4.5 or above. Claim based on HP review of 2019 published features of competitive in-class printers. Only HP offers a combination of security features to automatically detect, stop, and recover from attacks with a self-healing reboot, in alignment with NIST SP 800-193 guidelines for device cyber resiliency. For a list of compatible products, visit <https://www.hp.com/go/PrintersThatProtect>. For more information, visit <https://www.hp.com/go/PrinterSecurityClaims>.
3. Local printing requires smartphone or tablet and printer to be on the same network. Remote printing requires an Internet connection to an HP Web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires a separately purchased service contract for smartphone or tablet. Check with service provider for coverage and availability in your area.

HP Color LaserJet Single-function printers

HP LaserJet Professional CP5225 Color Printer series ^{AS}

Versatile A3 printer for all your print needs. High-quality results on a range of paper.

Printer shown includes accessories

HP Color LaserJet Enterprise M751 Printer series ^{AS}

Power office productivity with a smart, streamlined design that's reliable and hassle-free. Count on premium quality, maximum uptime, and the strongest security—all intended to drive successful organizations forward.

HP Color LaserJet Enterprise M856 Printer series ^{AS}

Print phenomenal color while maximizing uptime—now with original HP JetIntelligence Toner technology. Expect consistently fast output, brilliant prints, and the world's strongest security¹.

Accessories	None	N/A	N/A

1. Requires the HP Smart app download. For details on local printing requirements, see <https://www.hp.com/go/mobileprinting>.

2. Either after first page or after first set of ISO test pages. For details, see <https://www.hp.com/go/printerclaims>.

3. Upon purchase, your printer comes with a \$120 prepaid value card that will be added to your account (\$144 in Canada). This will cover 24 months of service on a monthly \$4.99 for 100 pages Instant Ink plan (\$5.99 in Canada). Other plans are available that may shorten or lengthen your offer period. After you have successfully registered your printer and created your HP Connected Account and Service Account, you must redeem your offer and select an Instant Ink printing plan. The Service begins when the offer is redeemed. Must redeem your prepaid value card within 6 months from printer set up or it will be void. Rollover allows unused pages in a month to be placed in a rollover account and then applied to pages in excess of your monthly allowance. The rollover account balance is limited to a maximum of twice the pages available in your plan. The ink balance will be decremented for any overage fees, resulting in less months of printing. Receiving your ink cartridges requires Internet connection to eligible HP, email address, and delivery service in your geographic area. Printers require direct connection to the Internet for program participation. For details, see <https://www.hpinstantink.com>.

4. Local printing requires mobile device and printer be on the same network or have a direct wireless connection. Remote printing requires an Internet connection to an HP web-connected printer. For details on how to print, including whether an app is required, see <https://www.hp.com/go/mobileprinting>.

5. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at <https://www.hp.com/go/mobileprinting>. Wi-Fi is a registered trademark of Wi-Fi Alliance®.

6. Compared to the majority of competing in-class consumer color desktop inkjet all-in-ones <\$299 USD. Keypoint Intelligence - Buyers Lab 2018 research study commissioned by HP based on research survey of printer manufacturers' published specifications, sustainability reports, and press releases as of 12/15/2018 and not confirmed by lab testing. Market share as reported by IDC CYQ3 2018 Hardcopy Peripherals Tracker, 2018Q3 Release. AIO with best in-class security features based on review of published embedded security features of competitive in-class models and defined as offering business-class, multipoint security, including but not limited to: encryption at the level of data, device, network, document, enterprise-class Wi-Fi security, and secure printing. For more details, see <https://www.keypointintelligence.com/HPOfficeJetPro>.

7. Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, host OS, port monitor, software application, driver, and document complexity.

HP OfficeJet Mobile printers/HP OfficeJet Wide Format printers

HP OfficeJet 200 Mobile Printer

1. Mobile device needs to be connected directly to the Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, an app or driver may also be required.

For details, see <https://www.hp.com/go/mobileprinting>. Wi-Fi Direct® is a registered trademark of Wi-Fi Alliance®.

2. Mobile device needs to support Bluetooth v4.0+ and be enabled. A mobile app such as HP ePrint or HP AiO Remote must be installed and opened for printing. Mobile device must be within 5 feet of the printer.

3. Power consumption varies with print job, the use of wireless connectivity and the charging of battery. Values given are nominal.

HP Smart Tank All-in-One printers

HP Smart Tank 7001 All-in-One

Printing is seamless from start to finish with a high-capacity ink tank printer. Create outstanding-quality color documents at a low cost, with up to two years of Original HP Ink included in the box.¹

1. Speed specifications have been updated to reflect current industry testing methods.

2. Requires the HP Smart app download. For details on local printing requirements see <https://www.hp.com/go/mobileprinting>. Certain features/software are available in English language only. Internet access required and must be purchased separately. Fax capabilities are for sending a fax only, and may require additional purchase. For more information, see <https://www.hp.com/go/mobilefax>.

3. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at <https://www.hp.com/go/mobileprinting>. Wi-Fi is a registered trademark of Wi-Fi Alliance®. Supports both 5.0 GHz and 2.4 GHz using up to 12 non-overlapping channels vs only 3 non-overlapping channels for 2.4 GHz only. Supports 5.0 GHz band (up to 160 mbps) vs 2.4 GHz band (up to 72.2 mbps). Internet access required and must be purchased separately.

HP ScanJet Pro scanners

HP ScanJet Pro 2000 s2 Sheet-feed Scanner

Fast, affordable, and designed to handle everything from simple color jobs to complex workflows. Quickly and reliably digitize larger projects with scan speeds up to 35 ppm/70 ipm1 and a 50-page ADF. Recommended for 3,500 pages per day.

HP ScanJet Pro 2600 f1 Scanner

Boost productivity for professional scanning tasks with the compact, reliable HP ScanJet Pro, designed for scanning up to 1,500 pages daily. Automate workflows with one-click shortcuts and fast, two-sided scanning from the automatic document feeder.

HP ScanJet Pro 3000 s4 Sheet-feed Scanner

Fast, affordable, and designed to handle everything from simple color jobs to complex workflows. Quickly and reliably digitize larger projects with scan speeds up to 40 ppm/80 ipm1 and a 50-page ADF. Recommended for 4,000 pages per day.

- A For Inkjet printers: Either after first page or first set of ISO test pages. For LaserJet printers: Measured using ISO/IEC 24734, excludes first set of test documents. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- B Maximum dpi that can be scanned is limited by available computer memory, disk space and other systems factors. Scan speeds measured at 200 dpi (black-and-white, color, and grayscale) using A4 sized paper in portrait mode.
- C Estimated U.S. street price. Actual prices may vary. Contact your authorized HP reseller for the most current pricing information.
- D Copy speeds may vary depending on the type of document.
- E HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- F Service levels and response times for Care Pack part of HP Care, may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply.
- G Apple AirPrint Mobile device must have AirPrint1.5. Wireless operations are compatible with 2.4 GHz operations only. Learn more at <https://www.hp.com/go/mobileprinting>.
- H HP ePrint Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at <https://www.hp.com/go/mobileprinting>.
- I Google Cloud Print™ 2.0 Requires Google Cloud Print™ registration and Google account. Wireless operations are compatible with 2.4 GHz operations only. Learn more at <https://www.hp.com/go/mobileprinting>.
- J Mobile device needs to be connected directly to the Wi-Fi Direct signal of a Wi-Fi Direct-supported MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see <https://www.hp.com/go/mobileprinting>. Wi-Fi Direct is a registered trademark of Wi-Fi Alliance.
- K May require a firmware upgrade to be compatible, download at <https://www.hp.com/go/support>.
- L Requires a compatible NFC-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile devices, see <https://www.hp.com/go/nfcprinting>.
- M Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Learn more at <https://www.hp.com/go/businessmobileprinting>.
- N To enable HP Roam, some devices may require firmware to be upgraded and an optional accessory to add Bluetooth® Low Energy (BLE) beaconing capabilities. Subscription may be required. For more information, visit <https://www.hp.com/go/roam>.
